**Sir,** through

The President, District Board, South Kanara.

Sir,

I have the honour to state that in --- accordance with the instructions contained in G. O. No. 132 P.H. dated the 25th January 1926, the --- President, District Board required me to arrange for stocking medicines etc for use in case of an out break of Influenza, as prescribed by the --- District Health Officer. The approximate cost of the indent is estimated at Rs 1600/-.

2. The finances of this Board are in such a deplorable state that the current year's budget has a large deficit of Rs 34,500/- in spite of the fact that only the ordinary and recurring expenditure is provided therein. It is, --- therefore, clear that this Board is not financially able to allot such a large sum for the unforeseen charge. The Taluk Board, finding themselves unable to meet the charge, had resolved to approach the District Board for the --- required funds. The President of the District Board --- informs me that the District Board cannot bear the cost inasmuch as it is a legitimate charge on the Taluk Board funds.

3. I have, therefore, the honour to request that the Government may be pleased to grant a sum of Rs 1600/- for the purpose of stocking Influenza Medicines in the Hospital and Dispensaries under this Taluk Board, in consideration of the ~~straightened~~ (distressed) financial position of this Taluk Board. If the Government is not in favour of complying with the request, I am sorry, that this Board will not be in a --- position to carry out the instructions contained in the aforesaid Government Order and to leave the public to their fate in case of an out-break of Influenza.

I have the honour to be,

Sir,

Your most obedient servant,

B.G. President
